

Lake Maria State Park

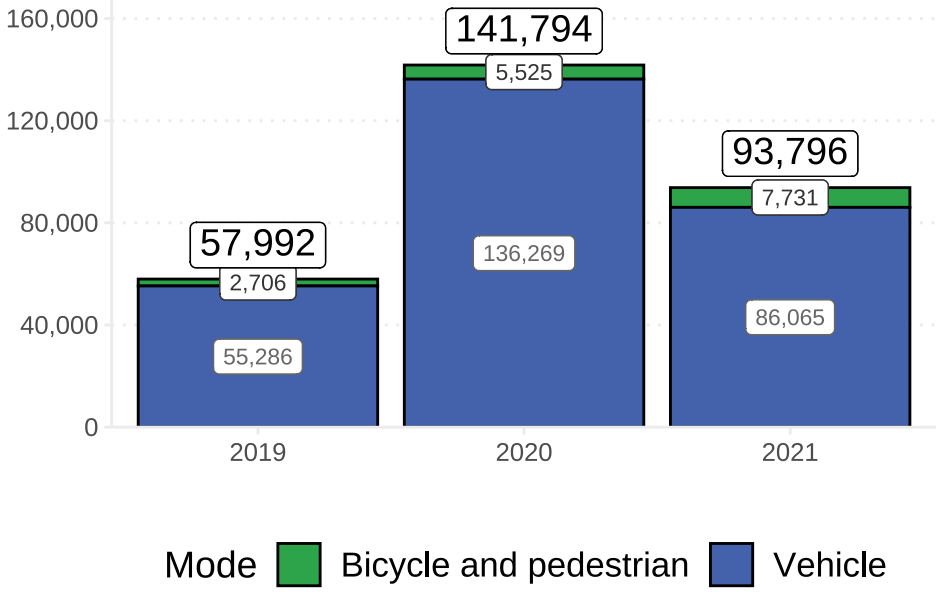

This factsheet summarizes park-level data for Lake Maria State Park. Use estimates were derived using location-based services (LBS) data and represent the number of visitors arriving to the park by vehicle, bike, or foot. A vehicle multiplier of 3.2 was used to convert vehicle counts to visitor counts for all DNR State parks.

This research project was funded with Legacy Partnership Research Funds from the State of Minnesota Parks and Trails Legacy Fund. LBS data was obtained from StreetLight Data, Inc. and was accessed in July 2023.

Lake Maria is part of the DNR State Park system. The park is in Wright County (DNR Area 3A). Park boundaries were accessed via Minnesota Geospatial Commons in July 2023 and may have been edited to improve LBS data performance.
