

# Lake Washington Regional Park

This factsheet summarizes park-level data for Lake Washington Regional Park. Use estimates were derived using location-based services (LBS) data and represent the number of visitors arriving to the park by vehicle, bike, or foot. A vehicle multiplier of 2.46 was used to convert vehicle counts to visitor counts for all Greater MN Regional parks.

This research project was funded with Legacy Partnership Research Funds from the State of Minnesota Parks and Trails Legacy Fund. LBS data was obtained from StreetLight Data, Inc. and was accessed in July 2023.

Lake Washington is part of the Greater MN Regional Park system. The park is in Le Sueur County (Greater MN District 5). Park boundaries were accessed via personal communication in July, 2021 and may have been edited to improve LBS data performance.
